

Is your projector lamp fading? Have you used all the lamp hours? You MAY NOT need to change your projector, it could just be the lamp. At IntelliSource we are able to find you the exact lamp for your projector, replace it and further re align you projector having it ready for the next time you use it.

For more information on ordering replacement lamps, please contact us on 020 8561 5757.

IntelliSource also price match.

Please bear with us while we update this part of the website so that you can order your lamps online.
