

IntelliSource is a registered SMART & Promethean reseller. We offer quality bespoke Interactive Whiteboard training for all schools, colleges and other organisations throughout the UK.

Training on your Interactive Whiteboard and software will help you get the most out of your board and using the whiteboard effectively, lends itself to the incorporation of ICT into lessons. Also, outside of the education environment, training is provided on how an interactive whiteboard's can be fully utilized within a corporate environment.

The training can be one-on-one or a group session held at your site or even at dedicated training centers. Training sessions are also available for Visualisers, Slates and Response systems.

To find out more about our training courses, please contact us on: 0208 561 5757 or info@intellisource.co.uk

Free Product Demonstrations

As well as training sessions we organise Product Demonstrations that are key to understanding the full potential of how your organisation could benefit from purchasing add-ons. Demonstrations are available for the Visualisers, Slates, Hand held voting systems, symposiums and Interactive Whiteboard Software. For more information, please contact
